The Council is of opinion that in view of the circumstances under which the late Captain Dawes met with a sudden and untimely death, leaving a family comparatively unprovided for, a pension of £.50 per annum to each of his two sons tenable till they respectively complete 18 years of age may be allowed for their education and maintenance. Submitted to His Highness.

The recommendation of the Council, contained in the accompanying Council Resolution, to grant a scholarship of £50 per annum to each of the two infant sons of the late Captain Dawes till they attain the age of 18 years, may be sanctioned.

2. The scholarship may be payable in England, through Messrs. Coutts & Co., to Mrs. Dawes, either quarterly or half-yearly, as may suit her convenience.

3. From the precedent of the grant of a scholarship to the son of the late Mr. Meiklejohn, it does not appear that the sanction of the Government of India is necessary.

Dear Mr. Chakravarti,

With reference to your letter No.506-Pol., dated the 22nd December 1909, regarding the payment of the Durbar's pension to the sons of the late Captain Dawes, R.E., I am desired to say that the Government of India have intimated that payment should be made through the India Office.

I am to add that in the Resident's opinion it will doubtless be sufficient if Messrs. Coutts & Co., pay the pension money to the India Office, and that if the Durbar require a voucher from Mrs. Dawes, this could probably be arranged in direct communication with her. Mr. Fraser would accordingly suggest this course.
